Who we are

Who is providing this notice?

ARS Wealth Advisors

What we do

How does ARS Wealth Advisors protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does ARS Wealth Advisors collect my personal information?

We collect your personal information, for example, when you

- open an account or give us your income information
- tell us about your portfolio or deposit money
- enter into an investment advisory contract with us

We also collect your personal information from other companies, such as the custodians who hold your account assets.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
